COP is housed in the School of Education’s Resourcing Excellence in Education (REEd) Center.

COP’s three federally funded programs—**Educational Talent Search, GEAR UP and Upward Bound**—serve middle and high school students in Colusa, Glenn, Sacramento, Shasta, Siskiyou, Solano, Tehama and Yolo counties. Nearly all participating students are from low-income families, are potential first-generation college students, and/or live in regions struggling with poverty, unemployment, and low rates of high school completion and postsecondary education.
